Present

“A Fresh Look at Your Landscape”

Saturday, March 13, 2010

9am to 4pm

Germanna Community College
Daniel Technology Center
18121 Technology Drive
Culpeper, VA 22701

Featured Speakers:

Professor Robert McDuffie

Virginia Tech
Landscape Architecture, Residential
Landscape Design
2008 William E. Wine Award for Teaching
Excellence

Dr. Alex Niemiera

Virginia Tech
Woody Landscape Plants, Tree Care,
Hardscape Installation
1997 Certificate of Teaching Excellence

Seminars

Top Ten Worst Landscape Design Ideas

Robert McDuffie

Robert points out some common design problems and lends advice on how to fix them. (Not all solutions require chainsaws!) You will laugh at the strange and cringe at the familiar.

Woody Plants You Can't Live Without

Alex Niemiera

Sexy trees and sensational shrubs take center stage as Alex describes his favorite plants to stroke, dream about, and admire.

Tough Plants For Tough Times

Alex Niemiera

Alex describes his favorite landscape choices for a variety of adverse circumstances. Find which specimens you should plant to combat drought, heat, compacted or poor soils, and human error.

Gardens of England and Wales

Robert McDuffie

Having a great climate for plants and an obsessive interest in gardens make for a perfect storm for the creation of beautiful gardens in Great Britain. Join Robert as he revisits some of the finest gardens in the world as he takes us on a tour of England and Wales.
